

WALTON CSD TRANSPORTATION

2020-21 Bus Routes

The Walton Central School District is required, but not limited, to the following guidelines from the Center for Disease Control and Prevention (CDC), State Department of Health (DOH), State Education Department (SED) and WCS: Social distancing should occur at all bus stops when multiple families are waiting or disembarking; families will sit together; and face coverings (masks) are to be worn by all passengers at all times while riding buses. We are only allowing a single pickup point and single drop off point for bus riders so we can keep track of contact tracing. At this time, we are allowing different points for AM and PM, but these points will remain the same for each day students ride.

CODE	BUS	Driver	ROUTE DESCRIPTION
